

# NikhilKumar Jain

COMPUTER SCIENCE ENGINEER

+91 7028244947 | nikhilkumarjain28@gmail.com | LinkedIn | Cedly | GitHub | portfolio | Google.dev

## PROFILE OBJECTIVE

Highly motivated Computer Science student seeking a challenging entry-level software development role. Proficient in programming languages and eager to apply machine learning and Flutter skills to create innovative solutions. Aiming to contribute to a dynamic team and drive business growth.

## EDUCATION

|   |                                 |
|---|---------------------------------|
| <b>Walchand Institute of Technology,Solapur</b>  | 2022 – present   CGPA : 9.2     |
| • B.Tech in Computer Science And Engineering  |                                 |
| <b>Solapur Education Society's Polytechnic, Solapur</b>   | 2019 – 2022   Percentage: 90.40 |
| • Diploma In Computer Technology  |                                 |
| <b>Shree Virtapsvai Chanveer Shivachrya High School Solapur</b>   | 2016 – 2019   Percentage: 80.60 |
| • State board of Secondary Education  |                                 |

## PROJECTS

|   |
|---|
| <b>Text Summarization With NLP 2024</b> , Machine Learning, Gradio, Hugging Face Spaces  |
| • <b>Developed</b> a Text Summarizer utilizing NLP techniques and the Google/Pegasus-large model.   |
| • <b>Implemented</b> both extractive (TextRank, TF-IDF) and abstractive summarization methods.  |
| • <b>Deployed</b> the application using Hugging Face Spaces and Gradio, supporting input formats like text, PDFs, DOCX, website links, and YouTube video links.             |
| <b>Call Infos (Flutter) 2023</b> , Android Flutter, Firebase, ReactJS, Automated Messaging APIs   |
| • <b>Created</b> an Android app to enhance business communication through automated messaging.  |
| • <b>Implemented</b> features like sending SMS and WhatsApp messages for incoming/missed calls.   |
| • <b>Integrated</b> business catalogs, offers, and essential information in messages.   |
| • <b>Developed</b> a built-in web editor for editing websites directly from the app.  |
| • <b>Designed</b> a user-friendly interface for efficient communication.  |
| <b>LOL Club Mobile Application</b> , Flutter, Firebase  |
| • <b>Developed</b> a mobile app for the LOL Coding Club, enhancing operations and member engagement.  |
| • <b>Implemented</b> profile management, event insights, and attendance tracking for improved efficiency and participation.   |

## Technical Skills

- **Programming Languages:** Java,Python,SQL
- **Tools and Other Technologies:** , MySQL Git and GitHub ,Firebase,Power BI, MongoDB
- **Course Work:** Data Structure and Algorithms, OOP in Java, Computer Networks, Operating System, DBMS,AI/ML

## Soft Skills

- Leadership
- Teamwork and Management
- Presentation and Communication
- Active Listening
- Adaptability

## PROFESSIONAL EXPERIENCE

|  |   |
|--|---|
| <b>Infosys Springboard</b> , Artificial Intelligence & Machine Learning Intern   | May 2024 – Jul 2024                       |
| • Gained insights and mentorship while working on real-world AI and machine learning projects.   |   |
| <b>Immortalcode Software Solutions Pvt Ltd.</b> , Flutter Development Intern  | Jan 2024 – Project Based Intern   present |
| • Developed real-world projects and managed post-deployment tasks to ensure smooth operation and user satisfaction.  |   |
| <b>PHN Technology Pvt. Ltd</b> , Android Development Intern                   | Apr 2023 – Jun 2023                       |
| • Received training on Android app development and gained practical knowledge through hands-on exercises.  |   |

## LEADERSHIP EXPERIENCE

|  |         |
|--|---------|
| <b>Secretary, ISTE (Indian Society for Technical Education)</b>                                    | present |
| • Successfully planned and executed numerous events at the general level.                          |         |
| <b>Secretary, LOL (Learning Out Loud) Coding Club</b>  | present |
| • Planned and executed educational workshops to enhance coding skills and knowledge among members. |         |
| <b>Finalist, Smart India Hackathon 2023</b>  |         |
| • Achieved finalist position by developing innovative solutions to real-world problems.            |         |

## CERTIFICATES

|  |                           |  |
|--|---------------------------|--|
| <b>MTA: Introduction to Programming Using Python</b> | -Microsoft Certified 2022 | w9Bzu-H9MW                      |
| <b>Introduction to Programming Using Java</b>        | -Infosys Certified        | https://verify.onwingspan.com/  |
